Dear [Redacted]

STAT

It is with special pleasure that I can inform you personally that you have been awarded the Distinguished Intelligence Medal in recognition of your career contributions to the Agency and particularly to FBIS. You know from personal experience that the DIM is only given to those employees whose careers have been marked with distinguished service and significant contributions to our mission.

As is customary, the Protocol Branch will be contacting you to arrange for the presentation of the medal. I hope that [Redacted] will be able to join you for the ceremony, and I look forward to seeing you both at that time.

STAT

Sincerely,

[Redacted]
